University High School athletic programs are not adequately funded by the School or District. The Boosters contribute a total of approximately \$800-900 per player, per season. While our volunteers work hard to raise money from corporate sponsorships and other fundraisers, **family donations are the most critical part of our annual budget.** The Booster budget includes even basic expenses that many families are surprised to discover are not paid for by the District, including updated safety equipment and pads, quality supplemental coaching (including year-round weight training and specialty coaches), HUDL and sideline technology, uniforms (which are long over due and being replaced this year), bus transportation, team meals and events, and so much more. **It is critical that every family contribute in order to continue to maintain a quality and safe program for our student athletes. Our goal is 100% participation!**

Thank you for supporting the Uni Football Program! We appreciate your contribution!
